****VERIFY YOUR INSURANCE BEFORE YOUR VISIT****

Although KidSense Therapy Group is a provider for a number of Insurance Companies, all individual companies have different coverage. This is especially true of companies who purchase insurance outside the state of Connecticut or self-funded companies. For example: coverage for the Autism diagnosis is mandated in the state of Connecticut, unless the client's company has had coverage excluded.

While KidSense Therapy Group will do our best to verify your coverage, YOU are responsible to be familiar with your benefits, as we are not the policy holder. You are responsible for tracking any visit limits, deductibles or out of pocket limits as well as exclusions or need for medical necessity. While we endeavor to get each child covered for the services we feel are necessary, we cannot make any guarantee of insurance coverage.

THE FORMS YOU WILL SIGN IN OUR OFFICE STATE THAT YOU WILL COVER ANY FEES THAT ARE DENIED BY YOUR INSURANCE COMPANY.

If we are out of network with your insurance company and you would like to submit a claim to your out-of-network benefits, you will be expected to pay for the visit at the time of service. Our office will give you documentation for YOU to submit to your insurance company.
